

## HEALTH AND SAFETY POLICY

Company SAVVAS HALIABALIAS & Co. "CHROMODOMI" has as its object of work the production and marketing of paints. CHROMODOMI fully complies with all legal obligations related to health, safety at work of all our employees and others who may be affected by our activities.

In particular, the company:

- provides and maintains equipment and machinery that is safe and free from health hazards
- ensure that there is no risk to health in connection with the use, handling and storage of items, equipment and chemicals
- provides and maintains a working environment and all means of access and egress that are safe and free from health hazards
- provide and maintain products that are safe in accordance with established and applicable laws and regulations so as to be free from health hazards
- provide the necessary information, instruction and employee training to ensure the health and safety at work of all our employees and subcontractors.
- provide all personal protective equipment for employees so that their work is safe
- is committed to protecting the environment, using natural resources (raw materials and energy) in the most efficient and technically feasible way
- comply with and meet all requirements of relevant legislation

Our policy cannot be implemented without the full cooperation and support of all who are expected to play a full and active role in implementing this policy. Employees are encouraged to raise any concerns and suggestions for improving safe working procedures at all levels of the company. Safe work is a team effort with everyone playing a vital role.

Safety in all our operations can only be ensured if all employees take an active interest in the safety of the work they perform and adhere to agreed safe working practices.

The company will ensure that adequate management and administrative resources are in place subject to this Policy being implemented, recognising all the obligations outlined above.

This Policy will be reviewed and amended accordingly.

Health and safety issues are an integral part of all operations. Any initiatives or comments from everyone will always be welcomed to improve this Policy.
