# STEP LATEX

## Top Quality Emulsion Masonry Paint

### GENERAL CHARACTERISTICS

Top quality emulsion masonry paint for internal use. It provides great coverage and whiteness. It produces a silk finish and it is very easy to apply. Application is usually by special roll, brush or spray gun on a clean surface. Also produces a washable surface. It is ammonia free.

### APPLICATION

Stir well before use. Do not apply at temperatures below 6°C and above 40°C and at relative humidity above 80%. Clean the surface to be painted and apply 2 coats of STEP LATEX. For new or porous surfaces apply firstly a coat astari plastikou.

### VOC (VOLATILE ORGANIC COMPOUNDS)
